2   About Your Phone ....
2.1   Power On/Off

Hold down the **Power** key until the phone powers on, unlock your phone (Slide, PIN, password, pattern) if necessary, once unlocked, Home screen is displayed.

If you don't know your PIN code or if you have forgotten it, contact your service provider. Do not store PIN code within your phone, instead store PIN in a location that is accessible without using phone.

Hold down the **Power** key from the Home screen until the phone options appear, select **Power off**.

Charging

Insert the small end of the charging cable into the charge port, and plug the charger into an electrical outlet.

2.2   Battery

To optimize your battery life, you may do the following:

Turn on power saving mode

- Go to **Settings > Battery > Battery saver**
- Turn on the switch to enable battery saving mode.

Lower screen brightness

- Go to **Settings > Display > Brightness level**
- Lower the brightness by sliding [icon] to the left.

Screen timeout

- Go to **Settings > Display > Advanced > Sleep**
- Select the screen timeout duration.
